Yearbooks	1

## Celebration of Learning

Our third annual Celebration of Learning will take place on Monday, May 7 in the Challenger Learning Center from 5-7pm. Please come to see all MSCS students display their work and show their

talents. This is a chance for you to see what your child has done all year. The Celebration will include testimonials from students and information from staff. There will be hor d'ourves and socializ-

ing. Take this opportunity to recognize your child's efforts and your hard work in the personalized learning that occurs in your child's home school education.

## Prom

MSCS will be sponsoring our first prom ever. The theme is OLD HOLLYWOOD and it promises to be a good time for all. It is set for May 19 from 7-11. There will be

a DJ for dancing, hor d'ourves and desserts for eating, and a photographer to remember the evening. Tickets are still available for high school students in the

office. If you are planning on bringing a guest that is not a MSCS student, please pick up a permission slip from Cindy Strange. Dress up and come for the fun!!

## Field Trip

The final field trip of the year is on May 4th. We are going to Six Flags Discovery Kingdom for Career and Leadership Day. We are leaving at 730 am so don't be late. All permission slips must be turned in prior to the field-

trip. This trip is for all students will a C or better in every class.

## NWEA

NWEA testing will occur one more time this year to show how much your child has learned from the beginning of the year until now. This will also allow your child's teacher to prepare for next year so that your child can continue to grow and learn to the best of his/her ability. Assessments show the areas that your child excels in and the areas that need growth.

## Yearbooks

School yearbooks are on sale now! Order through Cindy Strange. The price is \$25. They should be here by the middle of May. This is a chance to remember this year and share it will your family and friends. Our first annual yearbook will be something to treasure.
