MSCS Support Classes

MSCS offers several support classes that may be of help to your student. On Tuesdays, there is middle school math, algebra, and CAHSEE math. The CAHSEE class is a requirement of all juniors

and seniors who have not passed the CAHSEE. We also offer Language Arts classes and Science classes on alternating Thursdays. Both subjects have a middle school and a high school class. The

Science labs include hands-on experiments. The Language Arts classes change weekly. Please ask your teacher for a schedule so that you can get started.

NWEA Testing

Most students have taken the NWEA assessment. This test will allow teachers use the results to help their students

strengthen their skills in reading and math. It will also be a good indicator of your child's success on the CAHSEE exam.

This is the test given to

sophmores, juniors, and seniors to exit high school and receive a diploma. The testing results are also compared to other schools in the county and state.

Upcoming Events:

November 3 7:00am-8:00pm Fieldtrip to Winchester Mystery House & San Jose Tech Museum

November 7 ELA CAHSEE for 11th and 12th graders who have not passed.

November 8 Math CAHSEE for 11th and 12th graders who did not pass.

November 10 Vetran's Day

November 14 Arts & Communications Career Industry Days at Fairgrounds

November 17 10th grade Career Character Speeches

November 20-24 Thanksgiving recess

Spirit Week

MSCS Parent Organization has started Spirit Week. It will be the third week of every month. Show your school spirit by wearing our school colors, blue and white. The

next Parent Org. meeting is December 4th at 7pm at Bear Creek Community Church.

Fundraisers

Our first fundraiser, Otis Spunkmeyer cookie dough, was a great success. We raised over \$1000 for our school. Casey Barnes and Rochelle Miranda were our top sellers. Our next fundraiser will begin soon. We will be selling candy bars for \$1. We will also be selling school shirts, they are displayed in the hall. Show your school spirit.

Yearbook

School picture day had a great turnout. Now it is time to work on the yearbook. If you are interested in helping with this project please call Ms. Housley and let her know. This is a great way to support MSCS!
