CAHSEE Testing

Our biggest CAHSEE testing is coming March 20 and 21. This is the date when ALL 10th graders along with any 11th and 12th graders who have not passed the exit exam must take the test.

It is very important that your child is here on those dates and that they are prepared to take the exam. Without passing the CAHSEE, your child can not receive a high school diploma. If you

have any questions or concerns, please contact your child's teacher or the Vice-Principal. We want to ensure that every student at MSCS is a success.

MSCS Staff

I would like to take this opportunity to share with you about our great staff at MSCS. We have three full time teachers, Kristyn Lopez, Debbie Nishihama, and

Maria Villanueva. Other teachers include Anna Miller, Marilyn Anderson, Sandra Scheidt, and Robert Pryor. Our staff is rounded out with secretary, Cindy Strange.

It takes all of these people to make our school a success, so the next time you see one of them, let them know what a great job they do everyday at MSCS!!!

Sports

Stoneridge High School would like to invite MSCS students to participate in their sports programs. Baseball and softball are starting now, other sports include football, golf,

swimming and volleyball. Ask the VP for information if you are interested in signing up this spring.

NWEA

Please be sure to make time to have your child tested in NWEA. This test assesses students in math and reading. It will show how much your child has grown in these areas since the beginning of the school year. It is also an indicator of how well your child will succeed on the High School Exit Exam and the California Standards Tests.
