School Involvement

The best way to get your voice heard is to get involved. At MSCS there are many ways to do this. Your child could join Student Org. This is our leadership class where students participate in

fund-raisers, yearbook, newspaper, prom, and any other event that MSCS sponsors. As a parent, you could join the advisory board by letting Ms. Housley know you would like to be on the ballot

for next year or by joining Parent Org, which meets every third Monday of the month. For more info. on how to get involved please contact Ms. Housley.
